

Risk Assessment for Archery  
Blackmore Campsite Worcestershire

Hazard	Risk	Who is affected?	Risk Level	Prevention	Re-view Date
Archery Area	Injury	All participants	M	Prior to Archery session the area is roped off from all other people who are on the campsite. Archery nets are pulled round shooting area. Bosses are secured with both rope and stakes. There is a first aid box which can be used in every Building at Blackmore in case of an emergency.	8/3/21
Archery Equipment	Injury	All participants	H	Arrows are kept in a lockable box unless being used. Arrows are only handed out by our Archery Instructors, they are always counted back after all participants have shot all their arrows.	8/3/21
Archery Instructors		All participants	M	Blackmore Instructors have the Qualification Archery GB.	8/3/21
Archery Participants	Injury	All participants	M	Information is sent out to the main leader stating that at least one leader must stay with girls during each session. Blackmore administrator to send advice as to how girls should come to archery session, i.e. Hair tied back, no open toe shoes. Our Instructors will talk to all participants prior to starting archery session. Any inappropriate behavior will not be tolerated, girl will be taken away from the archery area by their leader.	8/3/21
