

Following the refurbishment of the Barn, we are currently fundraising to build a shower block. This is where you can help. If Blackmore is special to you and you would like to see girls and young women enjoy the facilities for many years to come, then please take part in our challenge!

The County Commissioner challenges you to raise at least 100 silver coins per person. (Only current UK currency counts). If you are successful, you will earn a special Blackmore Booster cloth badge. You can choose how and when you raise the money.

Please complete this slip and **send it with a cheque** payable to 'Worcestershire Guide Association' (**no coins please**) to Blackmore Booster Challenge, Girlguiding Worcestershire, County Office, Acre Lane, Droitwich. WR9 9BE

Number of badges required (minimum £5 per badge) _____
